

Allisoyn and Brenda

Genesee County

Beyond the ordinary

Allisoyn, Brenda and the children they parent are extraordinary.

Allisoyn and Brenda have spent time creating and nurturing the epic accomplishment that is their family. Since being placed in the family's home, the children have flourished, and both Allisoyn and Brenda have exhibited so much love and dedication to the children and their needs. They go above and beyond to make sure the older two children's educational and therapeutic needs are met, while managing their behaviors in the home. Although they have encountered a big change going from no children in the home to three immediately, the children are always happy and joyful during visits. Neither caregiver has ever wavered or said they couldn't handle it, even when services, school and behaviors got overwhelming. The children were all smiles on the day of the move and joyfully expressed happiness at living with "momma A and momma B" upon placement.
