

Megan

Arenac County

Making an impact on so many lives

Megan is currently licensed for five children and parents the children in her with proficiency and ease. She has a very calm, compassionate and stable parenting style that allows her to manage multiple children in her care with time management and attention to a regular schedule.

Megan stated, "It is a bit of a challenge in the beginning of new placements, to get everybody in a routine, but once that happens things run smoothly. It is about what works with the current situation."

She is always willing to take placements and makes immediate arrangements to do so. Megan adopted her foster daughter in 2016 and looks forward to adopting more children. Megan's licensing worker describes her as, "The epitome of what an amazing foster parent is." She also shared that Bay County is "Thrilled to have Megan as one of our foster parents."
