

Kristi and Mike

Ingham County

The stories that are told

Kristi and Mike are wonderful foster parents. They have two biological children and one foster child. They both work full time and do an exceptional job of managing the task of meeting the needs of all of the children. Kristi and Mike pour their emotional and physical energy into understanding their roles, as well as the demands of being parents who foster.

They have become skilled at addressing specific needs and managing schedules and routines.

With the support of their licensing agency Kristi and Mike have become a shining example of how families transition to being licensed foster parents.
